AMSL204		95.00%	95.00%
AMSL210		81.00%	81.00%
Academic average of all courses →			91.63%

While the ASL program has 10 courses in the catalog, it does not have a major or a certificate program at this time.

Future Goals

During the 2015-2016 academic year we have explored the possibility of adding an ASL major to the area. We believe that the creation of this major will help satisfy a growing demand for interpreting services in the area. We will continue to work to maintain and improve our success rates in all our classes.

Resource requests from annual program review
It is possible to request for \$3,000 for the entire WI SC. We would like to increase our Conference Travel budget.
