

The Inside/Out College Program is designed to provide higher educational opportunities for incarcerated individuals. The program explores critical sociological issues through individual and group activities, assignments, and projects. The program is modeled after The Inside/Out Prison Exchange Program developed and designed by Lori Pompa of Temple University in 1997 to bring college students and incarcerated individuals together as peers in a classroom setting that emphasizes dialogue.

Inside/Out Prison Exchange Program go to [www.insideoutcenter.org](http://www.insideoutcenter.org).

## Who We Are

### About Us

The Imperial County Inside/Out College Program is the first Inside/Out model college program in the nation offered through a county partnership between a community college and county jail. The first Imperial County Inside/Out college course was offered in Fall 2014.

The Inside/Out College Program is an educational component of the Imperial County Community Corrections 3 D U W Q H U V K f l o s s i v r e d & c : recidivism in Imperial County.
